

## STEP THREE – PURCHASE ALL APPS/iBOOKS BY AUGUST 18th

### Required App/iBook List (Fee & Free) for Freshmen Fall 2014

#### The iBook/App Purchasing Process:

All students are required to purchase their own iBooks/Apps for each class. This is necessary as the Apps/iBooks belong to each student's individual Apple ID. Students will purchase these Apps before the start of each semester (fall & spring). All students must have their iBooks/Apps for the Fall Semester (2014) purchased/downloaded by August 18th.

To ensure students/parents are aware of the cost and prepared for the first day, the following information will be distributed to parents/students on May 20 and sent via Email/Mail/Alert System/etc over the summer. Students can purchase their Apps/iBooks well in advance of receiving their iPad, as their Apps/iBooks are stored within their Apple Account. (This also includes required Apps that are free). However, students can also wait until Orientation (when they receive their iPad) to purchase and download necessary Apps/iBooks. (Please see information below about credit card/gift card). Either way, students must have all Apps and iBooks purchased and downloaded to their device by August 18<sup>th</sup>.

Please refer to the tables below, in order to view the required Apps and iBooks for each class for the Fall 2014 Semester. Each App/iBook is hyperlinked to ensure the correct App/iBook is purchased.

During Orientation, students will receive their iPad with completion of the iPad Ticket (see Step Two document). In order to purchase/download Apps/iBooks, students must have a valid credit card or iTunes gift card on their Apple account. We HIGHLY SUGGEST that parents purchase an iTunes Gift Card, to use for redeeming Apps/iBooks for students, instead of putting credit card information on a student's account. Students will NOT be able to download necessary Apps until a valid credit card or gift card has been loaded onto their account. **Therefore, PLEASE have an iTunes Gift Card (or Credit Card) loaded onto your student's Apple ID/Account before Orientation.**

Please visit the following link/video in order to learn how to load a gift card/credit card onto your student's Apple account. <https://www.youtube.com/watch?v=il9L2YJFEJ4>

Students will download and organize all Apps/iBooks into Categories/Folders during the first few days of school (mostly in their Technology Course).

## **STEP THREE – PURCHASE ALL APPS/iBOOKS BY AUGUST 18th**

**The iWork and iLife Apple App Suites will be downloaded to all student devices, once they have received their iPads. Therefore, please do NOT purchase these Apps under your Apple ID account before Orientation.**

The iWork and iLife Suite include – Pages, Keynote, Numbers, iPhoto, iMovie, and GarageBand.

**Training for utilization of these Apps will be provided during Technology Class and by all teachers.**

### **Have Questions?**

For any concerns, questions, or needs, please contact the IT Department at [dave.mattingly@desaleshs.com](mailto:dave.mattingly@desaleshs.com), [rick.buntain@desaleshs.com](mailto:rick.buntain@desaleshs.com), or [Jennifer.osbourne@desaleshs.com](mailto:Jennifer.osbourne@desaleshs.com).

Please also join us for our Tech Parent Help Night on June 24<sup>th</sup> 6-7 in the CES. Questions and concerns about iPads, Apps, Apple ID creation, etc. will be addressed then.
